

Join us! It's an open invitation to experience our wines.

Here at The Good Earth there are two things that we are incredibly passionate about: good food and good wine. With our roots in the culinary world it was a no-brainer for us to evolve into a wine producing enterprise as well. After all ...good food without good wine is like Bert without Ernie, Fred without Ginger, Nigel without Cat Deely!

Our petite lot vineyards are carefully tended by gentle hands and transformed into a fitting addition to our feasts. Membership in The Cork & Fork wine club offers you two ways to experience this integration of what's best from the fork... to the cork.

Your VIP experience includes:

- Your commitment to 2 or 4 bottles of specially selected wines sent to your home every January, April, June, September & December
- Each shipment includes a delicious Good Earth food item in addition to a special recipe created by The Good Earth chefs
- 15% off on cooking classes, picnics, winery events and merchandise in our retail store (excludes wine purchases)
- Early access to new releases
- A VIP member-only culinary event
- FREE shipping on all case orders
